SUPERINTENDENT'S REPORT

Mr. Chairman and Members of the School Board:

I hereby submit for your consideration my fourteenth annual report of the Campton schools.

The schools opened September 6, 1932, with the following teachers, viz: Esther Eaton, Upper Village; Leona P. White, Lower Village; Josiah B. Kelley, Center; Frances J. Ford, Beebe River Grammar; Doris L. Smith, Beebe River Primary; Lois M. Cate, Livermore Falls; Eunice A. Baker, Blair; Martha Nichols, Bog; Viola M. Pray, Branch; and Doris K. Gibson, West Road.

The school buildings were cleaned and toilets cleansed during the summer and some inside painting done to brighten up the rooms.

A new chimney has been built at the West Road school house which is a great improvement. There was danger of a fire from the old one.

The stove jackets that were at Beebe River have been used in other schools where they were much needed.

A new two-room school building has been built at Beebe River and is now in use. It meets a long felt need and is a credit to the town. The building committee is to be congratulated upon its ability to erect such a satisfactory structure for the money appropriated. Several superintendents have been to see it as they have similar needs in their districts. All have been surprised at the low cost of construction. It now needs to be equipped with modern adjustable seats and desks for the children.

There were sixty-nine resident pupils, this year, who were reported as attending high school for whom tuition is paid. This is an increase of eighteen over last year. Nine of these are seniors.

Three pupils are attending our schools from Thornton, for whom tuition is received.

The school census taken in September, reported 112 boys and 123 girls, or a total of 235 children in town between the ages of five and sixteen. This is seventeen more than were reported one year ago. There were 196 different pupils registered in our schools September 30, 1932. This is an increase of ten over last year.

The school registers, last June, showed the following thirty-eight pupils with a perfect record for the year and who received a Roll of Perfect Attendance at the grammar school graduation: viz., Village—Winston Caldon, Eunice R. Estabrook and Doris E. McCoy; Lower Village—Roger Brown, Jean Dole, John Dole, Emmeline Evans, Edward Hodgson, Lester Hodgson, Edith Morrison, Marguerite O'Brien, Sherman Washburn and Floyd Wilkie; Center Campton—Roxa Hutt, Virginia Hutt and Mary Davis; Beebe River—Ethel Joyce and Glen Lurvey; Livermore Falls—Albert Page, Charlotte Page, Richard Pierce, Roger Pierce and Shepard Ranger; Blair—none; Bog—Lillia M. Mitchell, Lester E. Mitchell, Jr., and Clarence Pulsifer; Branch—Lloyd E. Avery, Ronald Avery, H. Warner Morrill, Bertha M. Palmer, Elsie L. Palmer, Richard Palmer, Rowena Palmer, Marjorie O. Pray and Nicholas T. Triantifalu; West Road—Harold Avery, Robert Avery and Olive F. Littlefield. This is eight more than a year ago.

Besides the above perfect record, the registers showed one pupil who was tardy but once, one who was tardy twice, one who lost but one-half day, six who lost but one day, seven who lost but one and one-half days and eight who lost but two days. The record would have been considerably better if it had not been for the mumps and measles which had a run in some of the schools.

The percentages of attendance in the schools last year are as follows; Bog, 99.4; Livermore Falls, 98.34; Beebe River Grammar, 97.71; Upper Village 97.51; Beebe River Primary, 97.05; Branch, 96.89; Center, 95.21; Lower Village, 94.97; West Road, 94.33; and Blair, 87.47. The average for the district is 96.13. This is .85 less than one year ago. This reduction is due largely to the low record of one school.

The teachers recorded twenty-one visits by school board members, 242 by the superintendent and 327 by citizens.

The school board has held eleven meetings during the year.

The medical examination was made by Dr. H. A. Cheney as in previous years. The report shows very few correction of defects since the last report. I wish

it were possible to have more of the reported defects corrected.

The graduation from the eighth grade was held in the Town Hall on June 18th with the following program.

CLASS ROLL

Geraldine Virginia Avery, Irmgard Horatia Avery, Charles Leach Coursey, Mary Elizabeth Davis, Moody Cook Dole, John Andrew Driscoll, Vivian Louise Dustin, Eleanor Ruth Estabrook, Dorothy Lois Houghton, Theo Norma Jackson, Walter Johnson, Olive Frances Littlefield, Theo Gilberta Lurvey, Doris Evelyn McCoy,

Lilla May Mitchell, Burvel Joseph O'Brien, Richard Donald Pierce, Thelma Delia Pierce, Ellen Rand Rittenburg, Clifton James Savage, Phyllis Frances Savage, Ernest Richard Saunders, Ross McKinzie Schofield, Harry Charles Smith and Richard Pember Still.

All but four of the twenty-five graduates entered Plymouth High School in September. This accounts for the increase in high school attendance.

Let us hope that the pupils will make the most of the excellent opportunities that are placed before them and appreciate the sacrifices that are made by their parents and others, in this time of stress, that they may have the chance to prepare themselves more adequately for the future.

Respectfully submitted,

ALONZO J. KNOWLTON.
